TO WHOM IT MAY CONCERN:

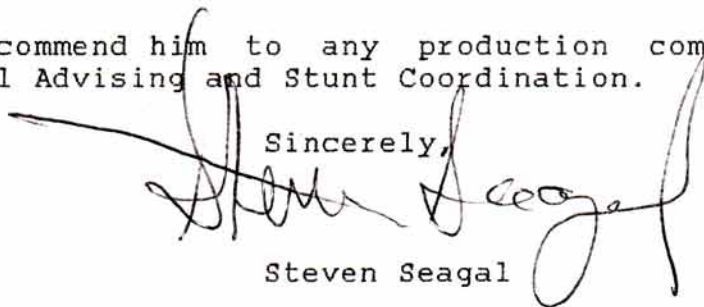

I had the opportunity of having Tom Muzila assist me and Warner Brothers Production Company of which I played the lead in my last feature film.

Muzila benefited me and the production company greatly on many different levels. He was my personal fitness trainer and consultant, who availed in getting me into great shape for the filming. He was also in charge of my personal security and that of the cast.

His suggestions on technical advising, coordinating and training the stunt individuals incredibly enhanced the quality of the film. Muzila's expertise of Martial Arts, Karate, Military, Police, SWAT and Anti-Terrorist Guerilla Warfare, Weapons, Fitness techniques and ideas could monumentally enrich the quality of most major films.

I would highly recommend him to any production company in the areas of Technical Advising and Stunt Coordination.

Sincerely,
